Kitchen & Livingroom Remodel

Year Completed: 2016

Location: Astoria, OR

Architect: Michelle Dieffenbach

Project Size: 1250 Sq. Ft.

The kitchen and living room of the home were damaged by fire and smoke. The kitchen was gutted and replaced with a new cabinet and appliance layout. Large windows were placed in the north wall of the living room to take advantage of the view to the river. New hard wood flooring was installed, the utility room was upgraded and a pantry created off the kitchen. The masonry at the wood stove was replaced and new lighting provided throughout the remodeled area.
